

SOCIAL MEDIA POLICY

Policy Statement:

The purpose of this policy is to safeguard the organization's integrity, image and branding. All representatives of Mississauga Figure Skating Club (MFSC) are required to exercise good judgment in their use of social media and conduct themselves in a responsible and respectful manner when contributing and interacting in online spaces.

Application:

This policy is applicable to all MFSC stakeholders. This policy is not intended to interfere with the private lives of our employees, coaches, volunteers, Board of Directors or team members or to impinge on the right to freedom of speech.

Definitions:

Official use

Refers to anyone posting on behalf of the organization, with any form of Mississauga Figure Skating Club (MFSC) in their username or description.

Personal use

Refers to posts about MFSC through a personal, non-affiliated account of an employee, volunteer, Board or team member. Skate Ontario employees, volunteers, board and team members are free to publish or comment via social media in accordance with this policy.

Guidelines:

- The purpose of using social media channels on behalf of MFSC is to support the organization's mission, goals, programs, efforts and events, including news, information, content and objectives
- When posting on behalf of MFSC, refrain from reporting, speculation, discussion or giving opinions on MFSC topics or personalities that could be considered sensitive, confidential or disparaging
- Confidential or proprietary information that has been shared with you should not be publicized on social media channels
- As in all communications, the employees, volunteers, board and team members should be consistent in their message when posting about MFSC. Users are not permitted to post information, photos or other representations of inappropriate behaviour, or items that could be interpreted as demeaning or inflammatory
- All communications will be respectful of others. This includes the obvious (no ethnic slurs, offensive comments, defamatory comments, personal insults and obscenity) but also proper consideration of privacy of objectionable topics, such as politics and religion
- Posters are encouraged to tag the accounts of athletes and coaches, along with images, provided the action does not release any personal information the subject does not already have on their account/handle

SOCIAL MEDIA POLICY

- MFSC's social media channels are to be used for positive interaction. Refrain from posting negative or critical comments about or relating to athletes, coaches, employees, Board members or volunteers.
- When posting on behalf of MFSC, professionalism and quality must be maintained. This includes the use of proper grammar, syntax, style and accuracy of information in all posts.
- Posters will not use social media to promote goods or services not affiliated with MFSC.
- Material posted on MFSC media platforms that does not follow the Social Media Policy, will be promptly removed or the individual who posted on an affiliated account will be asked to remove said post. It is not the intent of MFSC to police accounts, so please, stay positive, humble and professional.

Guidelines for posting:

If you see a misrepresentation of MFSC in the media, you may report it to MFSC at info@mississaugafsc.com. Conversations are encouraged, but if you feel the values of MFSC are being contradicted, please address the issue immediately.

If an error is made, correct it quickly and if you modify an earlier post, make it known that you have done so. If accused of posting something incorrect, seek official response from the Club and correct immediately.
